

Rotary Club of Los Olivos
Los Olivos Rotary Club Foundation
Grant and Project Application

The board of directors of the Los Olivos Rotary Club Foundation entertains grant requests throughout the year. The primary source of funds is the Los Olivos Olive and Jazz Festival that the Rotary club hosts annually in June. Non-profit organizations seeking funds should keep in mind that more money is available in the fall and winter than in the spring and time their applications accordingly.

Most monetary grants are made to non-profit organizations. Exceptions have been made in the past to help disabled persons and people with huge medical expenses. The club and foundation also participate in hands-on projects to assist various non-profits. Examples include building a storage shed for the Buellton Senior Center in 2014 and preparing a dinner for the Solvang Senior Center as an annual project. The club members also assist other non-profits in their events with labor and sometimes material.

Organization name: _____

Contact: _____ Phone: _____

Address: _____

Email: _____

Amount requested: _____ When needed: _____

Funds will be used for: _____

Total funds required for project: _____ Other sources of funds: _____

Attach a separate sheet explaining non-cash (labor, materials, etc) donations needed or a further description of the project.
